

How to Choose Your Group

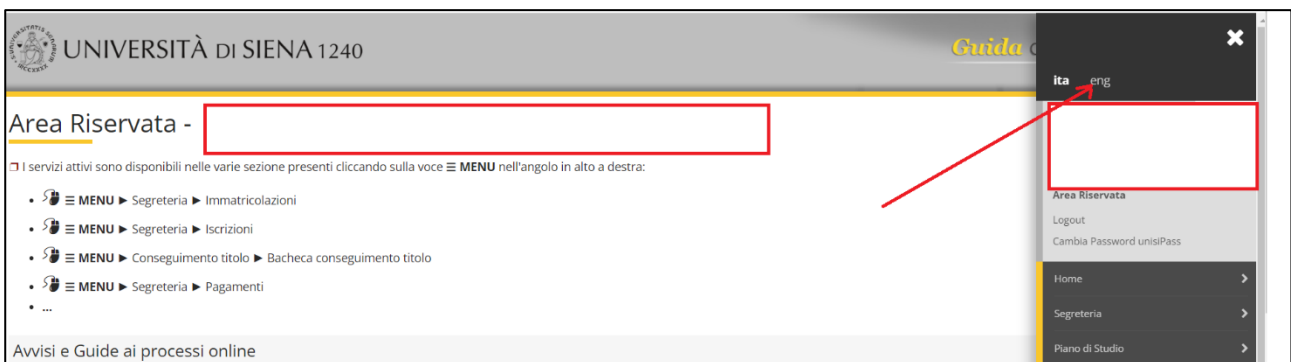

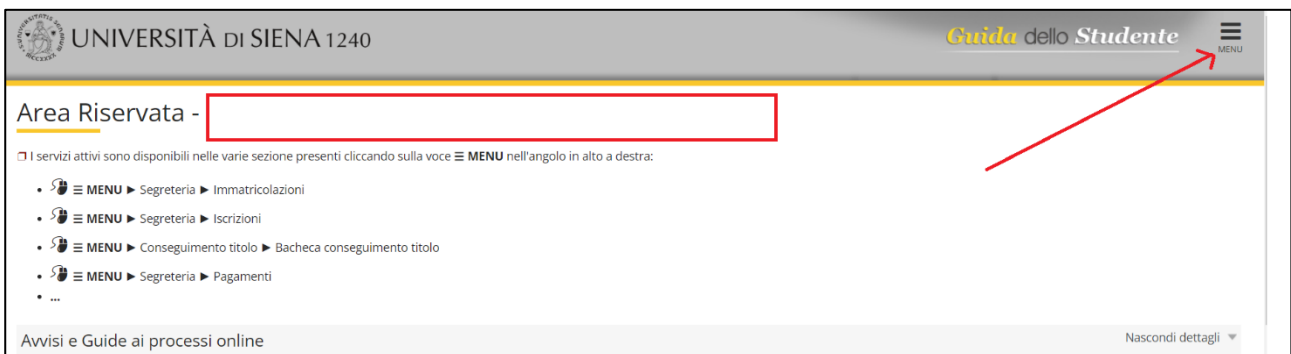

Foundation Course students have to choose between **Group 1** and **Group 2** classes. As Group 1 classes started in November 2023 and Group 2 classes in January 2024, each student should choose his or her Group consistently with his or her attendance start.

The choice of a Group is mandatory. Those who do not do choose will not be able to register for midterms/exams.

To choose your Group, follow the following steps:

Login to <https://segreteriaonline.unisi.it/Root.do> using your student account.

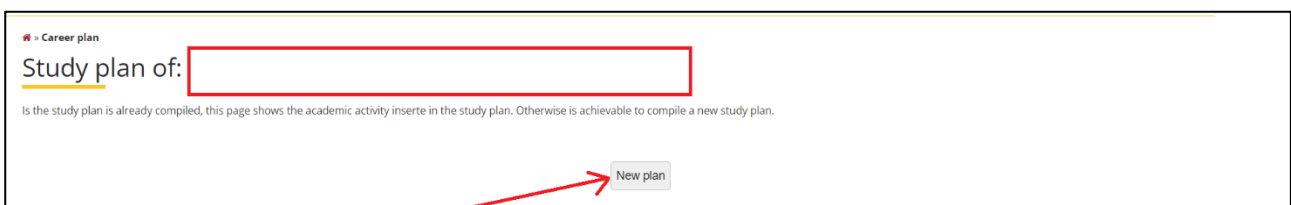

In the upper right corner click on MENU and select the English language (eng). A dialog box will appear, asking for confirmation: click ok. The menu will close after language selection and has to be reopened.

Reopen the main menu and select **Study plan**, then **Career plan** in the submenu.

On the next screen click on **New plan**:

In the following screen, choose between “1 - Schema 1 (Group 1)” and “2 - Schema 2 (Group 2)”, by clicking on the left of the item you want to choose. Then confirm by clicking OK.
